**Peter Tremayne**

*Behold a Pale Horse* William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

**Pale Horse Rider** Mark Jacobson, 2018-09-04 We are living in a time of unprecedented distrust in America... Faith in the government is at an all-time low, and political groups on both sides of the aisle are able to tout preposterous conspiracy

theories as gospel, without much opposition. “Fake news” is the order of the day. This book is about a man to whom all of it points, the greatest conspiracist of this generation and a man you may not have heard of. A former U.S. naval intelligence worker, Milton William Cooper published his manifesto *Behold a Pale Horse* in 1991. Since then it has gone on to sell hundreds of thousands of copies, becoming the number-one bestseller in the American prison system. According to *Behold a Pale Horse*, JFK was assassinated—because he was about to reveal that extraterrestrials were about to take over the earth—by his driver, an alien himself; AIDS is a government conspiracy to decrease the population of blacks, Hispanics, and homosexuals; and the Illuminati are secretly involved with the U.S. government to manage relationships with extraterrestrials. Cooper died in a shootout with Apache County police in 2001, one month after September 11, in the year in which he had predicted catastrophe. In *Pale Horse Rider*, journalist Mark Jacobson not only tells the story of Cooper’s fascinating life but also provides the social and political context for American paranoia. Indeed, with the present NSA situation and countless other shadowy government dealings often in the news, aren’t we right to suspect that things may not be as they seem?

**Behold! a Pale Horse** Milton Cooper, 2018-05-02 William Cooper turned out to be right; and that's all we have to say about his self-published Book. Let's keep copies of this treatise for our grandchildren and their children, so the spectre of corruption and perfidy that we the late 20th century generation experienced, will never occur again in seven generations.

**Behold a Pale Horse** Peter Tremayne, 2012-07-17 A perplexing case of murder and conspiracy in the pagan wilds of Northern Italy In 664 A.D., just after the events detailed in *Shroud for the Archbishop*, Fidelma of Cashel takes an unexpected detour on her trip home from Rome. While in the port at Genua (modern day Genoa), Fidelma—sister of one Ireland's kings and an advocate in her country's law courts—receives word that one of her old teachers, Brother Ruadan, is reaching the end of his days. Determined to see her old mentor one last time, Fidelma takes the treacherous journey to a remote abbey in the countryside—a place where the old pagan religion still has a hold and where even the Christians are often in bloody conflict with each other. But after she hears her dying teacher's last words, Fidelma's most dangerous adventure has just begun. With one murder after the next and a vicious war in the offing, it is up to Fidelma, alone and on her own, to unravel an extraordinary conspiracy before it is too late.

**Beyond the Pale Horse: the Strange Case of Milton William Cooper** Gray Barker, Andrew Colvin, 2018-01-20 In *Beyond the Pale Horse: The Strange Case of Milton William Cooper*, legendary conspiracy publisher Gray Barker continues his

Strange Case series by looking at one of the most controversial conspiracy theorists of all time: William Cooper. Cooper was killed in a shootout with federal agents in 2001, thus enshrining him forever into whatever Hall of Fame exists for conspiracy theorists. Cooper's book, Behold a Pale Horse, remains the top selling conspiracy and UFO book, on Amazon, almost 20 years after it was originally published. In this book, Barker, who knew Cooper before he died, analyzes some of the material sent to him by Cooper in the 1980s, offering his insight into the man and the legend. Chapter headings include: 1. Operation Majority 2. The Secret Government: MJ-123. The New Man 4. Following the Money 5. Alternative This, Alternative That 6. Majesty 127. **Behold a White Horse** Cisco Wheeler, 2009 My people are destroyed for lack of Knowledge (Hosea 4:6). This book is not meant for those who refuse to step out of their box, but instead cling onto their blinders, believing that the world is exactly as they have always been taught it is. Rather, it is specially written for those who discern that things are not exactly as they seem, and are dedicated to the pursuit of truth and knowledge. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Ephesians 6:12). Behold a White Horse is a roller coaster ride engaged in a myriad of related topics. The reader will be taken all the way back to ancient Babylon - the foundation of all secret societies, and continue on through Egypt and Rome. Other topics covered are ceremonial magick, kundalini power and evil spirits, the Talmud, Kabbalah, the apostasy of the Christian church today, alchemy, Papal Rome and the Catholic church, false prophets of the world, televangelists - wolves in sheep's clothing, & pagans in the pulpit. Who changed the truth of God into a lie, and worshipped and served the creature more than the creator, who is blessed forever. Amen (Romans 1:25) This work is spiritually based, using many scriptures. It is the prayer of the author that through careful reading of these pages, the reader can connect the dots into a whole new level of discernment to help guard against demon traps and the many devices of Satan. Knowledge is power and the truth really does set you free.

**Blue Planet Project** Gil Carlson,2013-09-15 This is the mysterious manuscript authored by a U.S. Government insider. It describes, in amazing detail, the inter relationship between the U.S. Government and several extraterrestrials societies with whom we have working agreements.I've been told this information was once classified as Above Top Secret and that this information was never intended to be released to the public! The Blue Planet Project Book contains all the amazing notes and drawings made by the scientist. The scientist visited various UFO crash sites, and the notes and drawings were allegedly made from those visits. It is believed that this anonymous scientist (more info revealed in book) was contracted by the government over several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor.This book compiled from what is believed to be the original and complete information. In keeping with the format of the original information that was in a binder format, this book has been published in a full size 8.5 x 11 page size and bound in a comb binding format. This makes it easier to lay flat and open pages fully for easier reading and studying.We believe this to be the most complete, accurate and highest quality version of this book available. Be cautious of inferior editions and eBook versions which have been reported by reviewers to be of inferior quality and may be difficult to read.

On a Pale Horse Piers Anthony,2012-02-14 In this first novel of the Incarnations of Immortality, Piers Anthony combines a gripping story of romance and conflicting loyalties with a deeply moving examination of the meaning of life and death. This is a

novel that will long linger in the reader's mind. Shooting Death was a mistake, as Zane soon discovered. For the man who killed the Incarnation of Death was immediately forced to assume the vacant position! Thereafter, he must speed over the world, riding his pale horse, and ending the lives of others. Zane was forced to accept his unwelcome task, despite the rules that seemed woefully unfair. But then he found himself being drawn into an evil plot of Satan. Already the prince of Evil was forging a trap in which Zane must act to destroy Luna, the woman he loved. He could see only one possible way to defeat the Father of Lies. It was unthinkable—but he had no other solution!

The Little White Horse Elizabeth Goudge,2011-05-17 'The Little White Horse was my favourite childhood book. I absolutely adored it. It had a cracking plot. She immediately feels right at home with her kind and funny uncle and meets a wonderful set of new friends but she quickly learns that beneath all this beauty and comfort, a past feud haunts Moonacre Manor and it's her destiny to right the wrongs of her ancestors and restore the peace to Moonacre Valley. Little White Horse and the delightful heroine, Maria Merryweather, are sure to be loved by all children.

Secret Societies Milton William Cooper,2013-09-20 History is replete with whispers of secret societies. Accounts of elders or priests who guarded the forbidden knowledge of ancient peoples. Prominent men, meeting in secret, who directed the course of civilization are recorded in the writings of all people. The oldest is the Brotherhood of the Snake, also called the Brotherhood of the Dragon, and it still exists under many different names. It is clear that religion has always played a significant role in the course of these organizations. Communication with a higher source, often divine, is a familiar claim in all but a few. The secrets of these groups are thought to be so profound that only a chosen, well-educated few are able to understand and use them. These men use their special knowledge for the benefit of all mankind. At least that is what they claim. How are we to know, since their knowledge and actions have been secret? Fortunately, some of it has become public knowledge. I found it intriguing that in most, if not all, primitive tribal societies all of the adults are members. They are usually separated into male and female groups. The male usually dominates the culture. Surprisingly, this exactly resembles many civilized secret societies. This can only mean that the society is working not against established authority, but for it. In fact, could be said to actually be the

established authority. This would tend to remove the validity of any argument that all secret associations are dedicated to the destruction of properly constituted authority. This can only apply, of course, where the secret society makes up the majority or entirety of any people which it affects. Only a very few fall into this category. Secret societies in fact mirror many facets of ordinary life. There is always an exclusivity of membership, with the resultant importance attached to being or becoming a member. This is found in all human endeavors, even those which are not secret, such as football teams or country clubs. This exclusivity of membership is actually one of the secret societies' most powerful weapons. There is the use of signs, passwords and other tools. These have always performed valuable functions in man's organizations everywhere. The stated reason, almost always different from the real reason, for the societies' existence is important....

*Pale Horse at Plum Run* Brian Leehan, 2008-10-14 Minnesota Book Award Winner! Now in paperback. The smoke had just cleared from the last volley of musketry at Gettysburg. Nearly 70 percent of the First Minnesota regiment lay dead or dying on the field--one of the greatest losses of any unit engaged in the Civil War. The significance of this July 2, 1863, battle at Gettysburg is widely known, but the harrowing details of the First's heroic stand that stopped a furious rebel assault have long been buried. In *Pale Horse at Plum Run* Brian Leehan brings the full story of the First at Gettysburg to light as he examines personal accounts, eyewitness reports, and official records to construct a remarkably detailed and compelling narrative. Brian Leehan's account of the First Minnesota on Cemetery Ridge is the most detailed and complete I have read. His exhaustive research and compelling narrative are impressive and offer a much fuller understanding of the regiment's extraordinary feats. -- Richard Moe, author of *The Last Full Measure: The Life and Death of the First Minnesota Volunteers*

**Race the Pale Horse** Dan Brown, 2010-05-31 When a contented youth living in an overseas British military base is told that his parents' car has tumbled over a coastal bluff on a fatal accident, he is struck with a blow from which he will never recover. Years later, as a degenerate guard at a London tourist attraction, he is met by an impassioned Interpol agent who informs him that his parents' caskets are empty and that the funeral was a hoax. The two find themselves on a common quest for answers and it becomes clear that the only man who can solve the riddle is the guard's own godfather - a scientist, ex-colonel and current fugitive who was last seen ten years ago. With a couple tricks up his sleeve and an agenda of his own, the guard vanishes to follow the trail alone. Meanwhile the agent deciphers clues a decade old on his own hunt for the retired colonel, learning as he goes the very unique circumstances of the colonel's past and the catastrophic consequences that could

occur if he should fail.

*Path of the Pale Horse* ,

Behold a Pale Horse Franklin Allen Leib,2010-04-01 Two men were in Texas the day Kennedy was shot. One was Rupert Justice Tolliver, a poor preacher who boasted that he would one day be President. The other was Cobra, the Rhodesian assassin who, forty years later, would be hired to take Tolliver's life. In between is the story of the millennium: how a man came to power by urging the people of America to take up arms in a Holy War and the variable that Cobra wasn't counting one: Clarissa, the beautiful and ruthless First Lady. A woman who plays both sides of the conflict, and if she had her way, the next millennium will be one of demagoguery, mayhem, and bloodshed.
