The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Meqabyan (Maccabees), and a host of others that were excommunicated from the KJV. An Ethiopian Reading of the Bible Keon-Sang An,2015-10-01 This book explores the biblical interpretation of the Ethiopian Orthodox Tewahido Church (EOTC). In doing so, it illuminates the interpretation of the Bible in a particular historical and cultural context and presents a compelling example of the contextual nature of biblical interpretation. Those who visit Ethiopia experience its unique spirituality, which is significantly informed by the presence of the EOTC. The EOTC has existed from earliest years of the Christian church. It has also developed and maintained its own ecclesiastic tradition in the Ethiopian context and has its own distinctive way of reading the Bible. It is noteworthy, particularly in the African context, that it has its own commentaries on the Scriptures, which continue to serve as a vital tradition in the EOTC's interpretation of the Bible. This is evident in the contemporary hermeneutics and sermons of EOTC preachers. In its comprehensive consideration of the EOTC's past and present, this book examines the interplay between tradition and context in biblical interpretation and contributes to current biblical scholarship.

An Ethiopian Reading of the Bible Keong-Sang An,2016-06-30 In An Ethiopian Reading of the Bible, Keon-Sang An explores the distinctive biblical interpretation of the Ethiopian Orthodox Tewahido Church (EOTC). He illuminates the interpretation of the Bible in a particular historical and cultural context and presents a compelling example of the contextual nature of biblical interpretation. Since the earliest years of the Christian church the EOTC has significantly informed the unique spirituality of Ethiopia. Drawing on his own experience of teaching theology in Ethiopia, Keon-Sang An provides a comprehensive consideration of the EOTC's past and present, and examines the interplay between tradition and context in biblical interpretation. An Ethiopian Reading of the Bible contributes much to current biblical scholarship and equips readers with the tools for a future of mutual learning.

The Ethiopian Biblical Canon Dr Frank Benjamin,2022-12-05 According to Ethiopian Orthodox Tewahedo Church Television, the 81-book canon of Scripture was released in Geez on March 19, 2022. Despite the fact that translations into Geez have existed for centuries, the entire Bible has now been made available in the Church's original and most authoritative language. This Bible is frequently used by the Ethiopian Orthodox Tewahedo Church. With books like Jubilees, Enoch, the books of Meqabyan, and other explicitly canon works, this tradition has the biggest biblical canon in all of Christianity, culminating in an Old Testament with 46 books and a New Testament with 35 books. Why does the Ethiopian Bible have 81 books yet the Catholic and King James versions each have 72 and 66? That question and many more are addressed in this book.

The Orthodox Church of Ethiopia John Binns,2016-11-28 Surrounded by steep escarpments to the north, south and east, Ethiopia has always been geographically and culturally set apart. It has the longest archaeological record of any country in the world. Indeed, this precipitous mountain land was where the human race began. It is also home to an ancient church with a remarkable legacy. The Ethiopian Church forms the southern branch of historic Christianity. It is the only pre-colonial church in sub-Saharan Africa, originating in one of the earliest Christian kingdoms-with its king Ezana (supposedly descended from the biblical Solomon) converting around 340 CE. Since then it has maintained its long Christian witness in a region dominated by Islam; today it has a membership of around forty million and is rapidly growing. Yet despite its importance, there has been no comprehensive study available in English of its theology and history. This is a large gap which this authoritative and engagingly written book seeks to fill. The Church of Ethiopia (or formally, the Ethiopian Orthodox Tewahedo Church) has a recognized place in worldwide Christianity as one of five non-Chalcedonian Orthodox Churches.As Dr Binns shows, it has

developed a distinctive approach which makes it different from all other churches. His book explains why this happened and how these special features have shaped the life of the Christian people of Ethiopia. He discusses the famous rock-hewn churches; the Ark of the Covenant (claimed by the Church and housed in Aksum); the medieval monastic tradition; relations with the Coptic Church; co-existence with Islam; missionary activity; and the Church's venerable oral traditions, especially the discipline of gene-a kind of theological reflection couched in a unique style of improvised allegorical poetry. There is also a sustained exploration of how the Church has been forced to re-think its identity and mission as a result of political changes and upheaval following the overthrow of Haile Selassie (who ruled as Regent, 1916-1930, and then as Emperor, 1930-74) and beyond.

The Original Aramaic New Testament In Plain English with Psalms & Proverbs Rev. David Bauscher, 2017-03-11 This is a translation (8th edition) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film *The Passion of the Christ* to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Yeshua (?Jesus? in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. Abundant documentation of the Aramaic Peshitta as the original NT is included. 609 pages, including 209 pages of documentary notes comparing Greek and Aramaic readings to show the originality of the Aramaic and the Greek as a translation. Hardback edition

A Teacher for All Generations (2 vols.) Eric F. Mason,2011-10-28 This collection of essays honors James C. VanderKam on the occasion of his sixty-fifth birthday and twentieth year on the faculty of the University of Notre Dame. An international group of scholars—including peers specializing in Second Temple Judaism and Biblical Studies, colleagues past and present, and former students—offers essays that interact in various ways with ideas and themes important in VanderKam's own work. The collection is divided into five sections spanning two volumes. The first volume includes essays on the Hebrew Bible and ancient Near East along with studies on Qumran and the Dead Sea Scrolls. Essays in the second volume address topics in early Judaism, Enoch traditions and Jubilees, and the New Testament and early Christianity.

The Bible in Ethiopia Curt Niccum,2014-05-28 The Ethiopic version provides a window into the state of the Greek Bible as it circulated in East Africa at the end of the fourth century. It is, therefore, an extremely important witness to the Bible's early transmission history, yet its testimony has typically been ignored or misunderstood by text critics. This study examines the history of the book of Acts in Ethiopia and reconstructs its earliest attainable text, which then is assessed using the latest text-critical methods. It therefore provides a solid base for interpreting the data of this key witness and lays the groundwork for future text-critical work in Ethiopic and other early versions.

The Traditional Interpretation of the Apocalypse of St John in the Ethiopian Orthodox Church Roger W. Cowley,2014-11-13 The aim of this study is to describe the traditional Biblical and patristic Amharic commentary material of the Ethiopian Orthodox Church, and to present in translation a sufficient sample of the Amharic, and also the Geez, commentary material, that its character can be clearly seen. Accordingly, the study is divided into three parts - a general introduction, an annotated translation of a Geez commentary, and an annotated translation of an Amharic commentary.
