Ray C. Stedman

God's Loving Word Ray C. Stedman,2015-04-29 The gospel of John, one of the key books of the Bible, reads like an intimate biography—from the pen of “the disciple whom Jesus loved.” This verse-by-verse exploration of John’s gospel brings to life the miracles and majesty of Jesus of Nazareth. Including life-related illustrations for application, the book features Bible passages within text and answers the question, “Who is Jesus?”

The Power of His Presence Ray C. Stedman,2010-11-01 Open your Bible and prepare to find the power of His presence. Beloved teacher Ray Stedman takes you on a journey through the Scriptures, one book each month, on a daily devotional tour that will both inspire and motivate you with the eternal truths of God’s Word. The theme of the believer’s dependence on Christ is made evident as The Power of His Presence takes you through both the Old and New Testaments on an easy-to-read, easy-to-grasp, devotional experience.

God's Final Word Ray C. Stedman,2011-05-01 Ray Stedman guides you on a verse-by-verse exploration of the book of Revelation, bringing to life the mysteries of this highly symbolic book of the Bible. God's Final Word encompasses and brings into brilliant focus the entire scope of human history—of eternity itself.

Immeasurably More Mark S. Mitchell,2016-10-26 Open your Bible and prepare to learn how God “is able to do immeasurably more than all we can ask or imagine” (Ephesians 3:20). Beloved teacher Ray Stedman takes you on a journey through God’s Word that will both inspire and motivate you. The theme of this book, the believer’s riches in Christ, becomes clearly evident as Immeasurably More leads you through portions of the Old and New Testaments in an easily-read, easily-grasped devotional experience. “God says to his people, ‘You are to be holy to me because I, the Lord, am holy. I have set you apart to be My own.’ (Lev 20:26). Christians must understand that we are the people of God today. What God said to Israel He also says to us, for in our relationship in Jesus Christ there is but one man, one body in Christ. Promises which appear in the

Old Testament belong also to us who live this side of the cross.”

Portrait of Integrity Mark Mitchell,2004 Tens of thousands of riders pursue the sport of dressage in North America, and the majority do so on a budget and with the horse they already have—or quite simply, the one they can afford. This means riders are facing the challenge of mastering one of the world’s most esteemed equestrian events on horses that may not be bred specifically for the task, or even if they have been, may not be top prospects for any number of reasons. International dressage judge, clinician, and riding coach Janet Foy has ridden many different horses—different sizes, shapes, colors, and breeds—to the highest levels of dressage competition, and now she has compiled her best tips for training and showing in one highly enjoyable book. Her expertise, stories, and good humor are destined to bring out the best in dressage riders and their “not-so-perfect” horses everywhere. Thousands of riders pursue the sport of dressage across the globe, and the majority do so on a budget and with the horse they already have, or quite simply, the one they can afford. This means riders daily face the challenge of mastering one of the world’s most esteemed equestrian pursuits on horses that may not be bred specifically for the task, or even if they have been, may not be top prospects for any number of reasons—behavioral quirks, conformational impediments, age or soundness issues, you name it. International dressage judge, clinician, and riding coach Janet Foy has ridden many different horses in the course of her riding and horse training career—different sizes, shapes, colors, and breeds—to the highest levels of dressage competition. Now she has compiled her best tips for training and showing the horse you have (or the horse you love, despite his “faults”) through the levels. With lists of the common “imperfections and evasions” experienced when riding movements—from simple transitions and leg-yield to zig-zags, tempi changes, and piaffe—followed by training tips and creative ways to “perfect” the “imperfections,” riders are bound to discover countless ways to apply Janet’s advice in their dressage pursuits.

Reason to Rejoice Ray C. Stedman,2016-02-01 Imagine yourself in a quiet corner. Your Bible is opened to Romans, a book containing many of the essentials of the Christian faith. For some, it’s an intimidating study. Now imagine being approached by a friendly, smiling pastor who is well acquainted with Romans—and its Author. He comes along side and offers to guide you in a chapter-by-chapter study of God’s Word. Will you invite him to join you? Ray Stedman’s warmth and humor shine through Reason to Rejoice, helping you explore and savor Paul’s words. You’ll find yourself challenged to apply these timeless truths to your everyday life.

For Such a Time as This Ray C. Stedman,2013-10-01 Beloved Bible teacher Ray Stedman's unique three-dimensional view of the book of Esther examines the story from three perspectives: as an historical document of actual events that took place in the life of the Jewish people; as a thrilling narrative of romance and suspense that reads like a gripping novel; and as a parable of profound and practical truth for our everyday Christian lives. The Book of Esther has amazing relevance for the turbulent, troubled times in which we live. Its adventure-filled pages speak to us across the centuries and instruct us in how God wants us to live in the 21st century.

God's Unfinished Book Ray C. Stedman,2015-04-29 Filled with adventure, the New Testament book of Acts tells of thrilling escapes, people in peril, conflict and intrigue, travel through the ancient world, storms and shipwrecks, and steadfast faith amidst overwhelming obstacles. Join Pastor Ray Stedman in what he calls God's unfinished book, as he brings the history, adventure, and profound but practical meaning of this book to life in readable, everyday language.

Psalms: Folk Songs of Faith Ray C. Stedman,2015-04-29 Ray Stedman's popular commentaries combine the insight of a seasoned student of the scriptures with the warmth of a pastor's heart. Stedman takes the text seriously and provided many practical applications, drawing the reader in with apt anecdotes and illustrations. He sets the Psalms in context, but also shows how they relate to many New Testament truths and to the reader's daily life. Along with his popular commentary on the material, the reader gets Stedman's unique devotional insights.

Our Riches in Christ Ray C. Stedman,2015-03-23 Stedman draws from the entire book of Ephesians the encouragement that comes from reviewing the resources and riches of a life with Christ, and the facts that undergird the Christian faith. 'Our Riches in Christ' helps Christians understand the liberating, transforming truths that produce lasting joy, unbounded peace, and radiant faith. Throughout his thorough, verse-by-verse analysis of Paul's letter to the Ephesians, master teacher Ray Stedman stops often to show what the Scriptures mean for today's believer. Practical issues of husband and wife relationships and church order find their way alongside such vital theological issues as faith, prayer, and spiritual warfare.

Is This All There Is to Life? Ray C. Stedman,2011-07-01 Lost in a maze of busyness? Does every day seem to lead from one form of stress into another more complicated set? Do you ever find yourself asking, "Is this all there is to life?" Ray Stedman empathizes. In his book *Is This All There is To Life?*, on the book of Ecclesiastes, you'll discover, as King Solomon did, how to put the day-to-day drudgery into biblical perspective and find your way out of the maze and into God's promised peace.

Adventuring Through the Life of Christ Ray C. Stedman,2009-02 Presents a guide to the Gospels and Acts, providing the key verses and themes in the life of Christ and how they can be applied to everyday life.

Romans Ray C. Stedman,Nancy J. Collins,2009-01-01 Embedded in the pages of Paul's letter to the Romans is the power to change individual lives and entire societies. It is a power that we all long to experience as followers of Jesus Christ. Romans deals with how God, through Jesus Christ, has enabled human beings to move from a place of condemnation and sin to a place of reconciliation and righteousness. This book will change your life, just as it has changed thousands of lives through the centuries.

The Mystery of God's Will Charles R. Swindoll,2001-09-30 I don't think I've ever met anyone who hasn't struggled with the desire to know God's will. The problem is, this struggle often involved a great deal of confusion and worry. ?Chuck Swindoll Many people have the idea that if they could just somehow find that single planned direction, they would be effortlessly swept through life. But life is not like that. Probably the most misunderstood factor of discovering God's will is the thought that, If I do this, the struggles will end, the questions are over, the answers come, and I live hapily ever after. But that's not reality. Does that mean that God's will must remain opaque to us?that we must muddle and grope blindly through life with no clue to what He wants for us? Not at all, says Charles Swindoll. In this groundbreaking book, Swindoll invites us to join him on a spiritual quest. I believe God's will for us in this life is not some black-and-white objective designed to take us to an appointed destination here on earth as much as it is about the journey itself . . . and what matters to Him in our lives. The Mystery of God's Will overflows with practical insights, humor, and unforgettable stories that will de-mystify, clarify, and put your mind at ease.
