Children will improve their motor skills by lifting the door flaps on every spread, and the light activated sounds will help with discovering who's hiding behind each one. Preschoolers can discover the neighing horse, a quacking duck, an oinking pig, a mooing cow and a cheeping chick. The mouse's tail hidden on each page will also give children something extra to look for, whilst the simple text builds early knowledge of the farmyard and encourages preschoolers to learn through repetition. With stunning photography and beautiful illustrations your little one will love this exciting and engaging introduction to life on the farm.
