Flirting with Fire Kate Meader,2015-03-24 The first installment in Hot in Chicago, a brand-new, sizzling series from Kate Meader that follows a group of firefighting foster siblings and their blazing hot love interests! Savvy PR guru Kinsey Taylor has always defined herself by her career, not her gender. That is, until she moved from San Francisco to Chicago to be with her fiancé who thought she wasn’t taking her “job” of supporting him in his high-powered career seriously enough—and promptly dumped her for a more supportive and “feminine” nurse. Now, as the new assistant press secretary to Chicago’s dynamic mayor, she’s determined to keep her eye on the prize: no time to feel inferior because she’s a strong, kick-ass woman, and certainly no time for men. But that all changes when she meets Luke Almeida, a firefighter as searingly sexy as he is quick-

tempered. He's also the second oldest of the Firefightin' Dempseys, a family of foster siblings who have committed their lives to the service—if Luke's antics don't get him fired first. When Luke goes one step too far and gets into a bar brawl with the Chicago Police Department, Kinsey marches into Luke's firehouse and lays down the law on orders from the mayor. But at Engine Co. 6, Luke Almeida is the law. And he's not about to let Kinsey make the rules.

The Great Fire Shirley Hazzard, 2007-04-01 The Great Fire is the winner of the 2003 National Book Award for Fiction. A great writer's sweeping story of men and women struggling to reclaim their lives in the aftermath of world conflict The Great Fire is Shirley Hazzard's first novel since *The Transit of Venus*, which won the National Book Critics Circle Award in 1981. The conflagration of her title is the Second World War. In war-torn Asia and stricken Europe, men and women, still young but veterans of harsh experience, must reinvent their lives and expectations, and learn, from their past, to dream again. Some will fulfill their destinies, others will falter. At the center of the story, Aldred Leith, a brave and brilliant soldier, finds that survival and worldly achievement are not enough. Helen Driscoll, a young girl living in occupied Japan and tending her dying brother, falls in love, and in the process discovers herself. In the looming shadow of world enmities resumed, and of Asia's coming centrality in world affairs, a man and a woman seek to recover self-reliance, balance, and tenderness, struggling to reclaim their humanity.

Seven Fires Francis Mallmann, 2009-06-02 James Beard Award Winner A trailblazing chef reinvents the art of cooking over fire. Gloriously inspired recipes push the boundaries of live-fired cuisine in this primal yet sophisticated cookbook introducing the incendiary dishes of South America's biggest culinary star. Chef Francis Mallmann—born in Patagonia and trained in France's top restaurants—abandoned the fussy fine dining scene for the more elemental experience of cooking with fire. But his fans followed, including the world's top food journalists and celebrities, such as Francis Ford Coppola, Madonna, and Ralph Lauren, traveling to Argentina and Uruguay to experience the dashing chef's astonishing—and delicious—wood-fired feasts. The seven fires of the title refer to a series of grilling techniques that have been singularly adapted for the home cook. So you can cook Signature Mallmann dishes—like Whole Boneless Ribeye with Chimichuri; Salt-Crusted Striped Bass; Whole Roasted Andean Pumpkin with Mint and Goat Cheese Salad; and desserts such as Dulce de Leche Pancakes—indoors or out in any season. Evocative photographs showcase both the recipes and the exquisite beauty of Mallmann's home turf in Patagonia, Buenos Aires, and rural Uruguay. *Seven Fires* is a must for any griller ready to explore food's next frontier.

Now he's under the thumb of the chairman of the city's crime watch council - a no-nonsense woman determined to make him pay his debt to society. Sandy DeMarco is familiar with Ethan's professional character, as well as his notorious "bad boy" reputation with women. Still, when her quiet neighborhood is shaken by a brutal murder and an employee of hers becomes the prime suspect, she knows the accused's only hope is the man who will win at any cost.
